COVER LETTER ACCOMPANYING FILING OF TERMINAL DISCLAIMER

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

During a telephone conversation with the undersigned, which took place on May 25, 2005, SPE James SEIDLECK indicated that his review of the above-identified application, which was allowed by Examiner Nutter, resulted in a finding that a double patenting rejection over the parent patent (patent no. 6,642,316) might be appropriate as to certain claims in the present application. Mr. Seidleck also indicated that a Terminal Disclaimer would be effective in overcoming the double patenting rejection, and that without a Terminal Disclaimer, he would have to wait for Examiner Nutter's return from an extended vacation before he could permit the mailing of the Notice of Allowance.

While Applicant does not acquiesce to the correctness of any double patenting rejection over the parent patent, in order to expedite the mailing of a Notice of Allowance in the present application, please find attached a Terminal Disclaimer signed by the attorney of record.

S06011.A01

Accordingly, the instant application is now ready for the prompt mailing of a Notice of Allowance.

Should there be any questions, the undersigned may be contacted at the below listed telephone number.
